## OCTOBER EDITION

### DUN DUN DUNNNNN

By: Jesse

Today's article is my thoughts on bringing toys to school. This is where it started. Here, in 503. *Someone* brought in Legos and other toys. Then, dun dun dunnnn, the teacher takes them for hostage. She puts them on her bookshelf and they are guarded by gnomes. She's tricky. Don't try to take it back or you will go to the detention room, because that's stealing. Ain't no buddy got time for that!

Kids can get depressed when Legos are hostages. It feels like it is the end of the world. But, it's just the end of the day. The Lego hostages are always released.

I hope you learn a lesson from this. Don't bring toys to school.

### AMBASSADORS

By: Brody

Ambassadors are people who come into an adopted classroom and teach Lifelines. I am an Ambassador and my classroom is Mrs. William's Kidnergarted class. I want them to the busses everyday and help with whatever they need. Every Tuesday afterschool all the Ambassadors stay after school for meetings, to learn about the next lesson they will teach. The grades that get picked to be Ambassadors are 4<sup>th</sup> and 5<sup>th</sup>. The person who created Ambassadors was Jim McMillan, he is a very nice man and he works for an organization called C.L.A.S.S. The Ambassador coaches are Mrs. Wheeler, Mrs. Passwater, and Mrs. Preuschl.

Every month there is a new lifeline. We teach lessons one Wednesday at month at 2:34.

### AN AMAZING RACE

By: Kyla

#### The Race

The Amazing Race is a TV show about how different teams battle to answer clues and most importantly.. RACE!

This year in 5th grade we will be doing a school parody of The Amazing Race, in Ms. G's classroom! It will involve, Glogster, taste testing, and extreme knowledge of the West and Southwest United States.

The fun part is being able to practice your skills in a race... and you'll be filmed! The Web Tech and Tech Specialists in the classroom will edit the video, and then it will be uploaded to the classroom website and School Tube! It will be our own amazing TV show!

#### A Note on Glogster

A Glogster is a digital poster you can create online on the website, <http://edu.glogster.com>. When you go there, it will ask for your login and password. If you don't have one, get an account so you can enjoy the fun!

Once you have logged in, you can click create new glog to create a Glogster. What is a Glogster? Well, it's an online poster that you can put pictures, video, words, and surveys in.

That's about it for this article, as always be sure to check out our webpage [www.theamazing503.weebly.com](http://www.theamazing503.weebly.com) and the website Glogster!
